## Cleanup Day on lake

The annual lake cleanup event was a "bit splintered," in organizer Jim Schuster's words, due to too much snow on the lake, but still participants collected about 160 pounds of trash. Among the debris: a tire, shopping cart, wheelbarrow and bicycle parts. Volunteers from VFW's auxiliary gather with garbage bags in hand March 25 to do their part in the lake cleanup. From left, Paul and Katie Fick, Joan Mample, Eli and Ryan Barth and Sharon Schmidt. Mample is also pictured at right.
