## Ice houses to exit for season

According to the Minnesota Department of Natural Resources, dark houses, fish houses and portables must be off the ice no later than midnight Monday, March 6, on lakes in the southern part of the state.

County sheriffs may prohibit or restrict the use of motorized vehicles if dangerous ice conditions are present. If shelters are not removed, owners will be prosecuted. A

conservation officer also may confiscate, remove or destroy any ice structure and its contents if it is not removed by the deadline.

Dates of removal are determined by an east-west line formed by U.S. Hwy. 10, east along Hwy. 34 to Minnesota Hwy. 200, east along Hwy. 200 to U.S. Hwy. 2, and east along Hwy. 2 to the Minnesota-Wisconsin border.
